

FOR IMMEDIATE RELEASE

**Crawford & Company® Appoints Baoling Wang as Managing Director, Global Technical Services**

**ATLANTA (January 26, 2020)** - [Crawford & Company®](#) (NYSE: CRD-A and CRD-B), the world's largest publicly listed independent provider of claims management and outsourcing solutions to carriers, brokers and corporations, has announced the appointment of Baoling Wang as vice president, managing director and international executive general adjuster. Wang will report to Paul Kottler, president, Crawford Global Technical Services.

"As we continue to invest in talent and the growth of our GTS division, we are excited to welcome Baoling to Crawford. Her impressive background and industry expertise will help bolster our international division as we focus on bringing innovative solutions to the global market. She will certainly help us in our journey to restore and enhance lives, businesses and communities everywhere," commented Kottler.

Wang brings over 15 years of experience to the role with expertise in various industries, including manufacturing, real estate, logistics, technology, private equity, financial and retail. Wang was also honored for her contributions to these fields by *Insurance Business America* who named her as one of their 2020 Elite Women. Most recently, she held the position of Executive General Adjuster at McLaren's.

**About Crawford®**

Based in Atlanta, Crawford & Company (NYSE: CRD-A and CRD-B) is the world's largest publicly listed independent provider of claims management solutions to carriers, brokers and corporations with an expansive global network serving clients in more than 70 countries. The Company's two classes of stock are substantially identical, except with respect to voting rights and the Company's ability to pay greater cash dividends on the non-voting Class A Common Stock (CRD-A) than on the voting Class B Common Stock (CRD-B), subject to certain limitations. In addition, with respect to mergers or similar transactions, holders of CRD-A must receive the same type and amount of consideration as holders of CRD-B, unless different consideration is approved by the holders of 75 percent of CRD-A, voting as a class.
